Update

CSO SEPARATION AREA 12.5

November 2004

The contractor, F. L. Showalter, Inc., continues construction in your neighborhood. The following work activities will be taking place this month.

- Memorial Ave. will be closed to one lane of traffic into December for sanitary sewer, storm sewer and road rebuilding work to be performed.
- Spot excavations will occur to locate sewers and place manholes in city alleys between many blocks of the project area and to place storm inlets on unpaved sections of streets.
- Materials and equipment are being delivered and stored along the various work areas throughout the project.
- Concrete curb & gutter work continues on Memorial Ave. and Oakridge Blvd. Broken and missing sidewalk sections around the project will be replaced.
- Storm and sanitary sewer construction will begin in the 100 block of Yeardeley Ave. and continue on Carra St. and Memorial Ave.
- Grading and restoration work is complete in the drainage swale area below Warren Ave.
- Please watch for and heed the NO PARKING signs posted daily to help expedite the work.

The contractor has this two-year project scheduled into 4 Work Zones. The Work Zones are tentatively scheduled as follows:

1.	400 block Westover Blvd. and 300-500 blocks of Warren Ave.	Work Completed
2.	100-200 blocks of Westover Blvd. and the 100-200 blocks of Warren Ave., Wilson Ave from Langhorne La. to Warren Ave.	Work Completed
3.	Carra St., Harper St., 3300-3400 blocks of Daniel & Wilson Ave., and 100-200 blocks of Oakridge Blvd. and 3100 to 3500 blocks of Memorial Ave.	Jan. 2004 – Dec. 2004
